

Basel Seminars in Pathology

Renal Transplant Pathology
Hands-on Course, June 24-27, 2019

Renal Transplant Pathology – Hands-on Course:

Three days hands-on course for pathologists or pathologists in training with some experience in the interpretation of renal transplant biopsies. Networking and promoting cooperation.

Various formats (input sessions, microscope sessions with faculty, microscope sessions in small groups, presentation of own cases) will be used to discuss the most common and relevant morphological lesions in renal transplant pathology.

When:

Starts: Monday, June 24, 2019, 14.00 h. Ends: Thursday, June 27, 2019, 13.00 h.

Where:

Pathology, University Hospital Basel, Schönbeinstrasse 40, CH-4031 Basel, Switzerland

Participants:

Pathologists and pathologists in training. The maximum number of participants is 16. The course will be held in English.

Course costs:

CHF 700.– (including dinner on Monday, city tour of Basel, lunch, coffee breaks, course material)

Organisation/Questions/Contact:

Helmut Hopfer, Email: Helmut.Hopfer@usb.ch phone: +41 61 265 28 90; Fax: +41 61 265 31 94
